

Curriculum Vitae

Elsbeth Ready

Department of Human Behavior, Ecology and Culture
Max Planck Institute for Evolutionary Anthropology
Deutscher Platz 6, 04103 Leipzig, Germany

EMAIL: elspeth_ready@eva.mpg.de
PROFESSIONAL WEBSITE: <https://elspethr.github.io>
RESEARCH GROUP: <https://sanguatsiniq.github.io>

EDUCATION

- | | |
|----------------------|--|
| Sept. 2010–June 2016 | Ph.D. Anthropology , Stanford University
Dissertation: Food, sharing, and social structure in an Arctic mixed economy |
| Sept. 2008–June 2010 | M.A. Anthropology , Trent University
Thesis: Neandertal foraging adaptations in southwestern France: Implications of Mousterian faunal remains from Gatzarria Cave |
| Sept. 2004–June 2008 | B.A. Anthropology (Honors), University of Alberta |

ACADEMIC APPOINTMENTS

- | | |
|----------------------|---|
| Jan. 2019–present | Senior Researcher
Department of Human Behavior, Ecology and Culture, MPI-EVA |
| June 2018–present | Courtesy Assistant Professor
Department of Anthropology, University of Florida |
| Sept. 2017–Dec. 2018 | Postdoctoral Research Associate
Department of Sociology, University of Nebraska-Lincoln |
| Aug. 2016–Aug. 2017 | Postdoctoral Scholar
Department of Anthropology, Stanford University |

CONSULTING EXPERIENCE

- | | |
|------------|--|
| 2024 | Consultant for Makivvik Corporation: conducting community consultations and providing logistical and organizational support to the scientific team conducting environmental research for a protected-area project in Nunavik, Canada |
| 2024 | Cost-benefit analysis of the impacts of carbon tax in the Inuvialuit Settlement Region (Canada) for the Inuvialuit Regional Corporation |
| 2024, 2022 | Consultant for Makivvik Corporation: planned and facilitated elders' focus groups to document Indigenous knowledge and to assess support for a planned conservation project in the Urqu region (Kangiqsujuaq, Nunavik, Canada) |
| 2021 | Completed a report for the Inuvialuit Regional Corporation quantifying the traditional economy of the Inuvialuit Region and estimating the carbon emissions avoided through Indigenous food production |
| 2015–2016 | Statistical consulting (social network analysis) for Christine Larson (now Assistant Professor of Journalism, University of Colorado Boulder) |
| Since 2009 | Copyediting work for English-second language writers, including several academic articles (example) and a book manuscript . |

PUBLICATIONS

* denotes shared first-authorship

UNDER REVIEW

Jones, J. and **Ready, E.***, Under review. [Transitivity promotes effective risk management in resource sharing networks](#).

Andrews, J., **Ready, E.**, Khamis, B.M., Mbarouk, A.A., Makame, M.A., Massoud, M.M., and Clark, M., Under review. The effect of seasonality on illegal activities in forestry: Evidence from Zanzibar.

PEER-REVIEWED

Bordes and F. Le Brun Ricalens, editors. Report submitted to the Service Régional d'Archéologie du Sud-Ouest, France.

RESEARCH GRANTS

- | | |
|-----------|--|
| 2020–2022 | Social Sciences and Humanities Research Council of Canada, Insight Development Grant: “Disruptive Technologies and Negative Heritage: Evaluating the Social and Economic Impacts of the 3D-printed Triumphal Arch of Palmyra,” (PI Lindsay Der, as a project collaborator I assist with survey design), CAD \$71,380 |
| 2018–2020 | National Science Foundation Office of Polar Programs, EAGER Grant: “Examining the relationship between culture, stress, and health in two Canadian Inuit communities through community-based participatory research,” (PIs P. Collings and E. Ready), Award No. P0106491, USD \$35,259 |
| 2013–2014 | National Science Foundation Office of Polar Programs, Doctoral Dissertation Improvement Grant: “Environmental variability and food security in Nunavik, Canada,” Award No. PLR-1303874, USD \$38,735 |
| 2013 | Graduate Research Opportunity Award, Stanford School of Humanities and Sciences |
| 2007 | Roger E. Smith Undergraduate Student Researcher Award, University of Alberta |

TEACHING EXPERIENCE

ADVISEES

- | | | |
|--------------|-------------------------|--|
| 2024–present | Sofia Eriksen | PhD student, MPI-EVA (primary advisor) |
| 2023–present | Alejandro Pérez Velilla | PhD student, University of California Merced (committee member) |
| 2020–2023 | Friederike Hillemann | Postdoctoral scholar, MPI-EVA. Current position: Humboldt Fellow at Durham University. |

COURSES TAUGHT

- | | |
|------|--|
| 2022 | Human Behavior, Ecology and Culture, University of Leipzig (Co-Instructor) |
| 2017 | Peopling of the Globe, Stanford University |
| – | Environmental and Ecological Anthropology, Stanford University |
| – | Human Skeletal Anatomy (Co-Instructor), Stanford University |

WORKSHOPS

- | | |
|----------|--|
| 2022 | Skill-share workshop, Social Network Analysis (with Daniel Redhead), MPI-EVA |
| 2020, 21 | Data Carpentries workshop (helper), MPI-EVA |
| 2020 | Ethics reading and discussion group (with Heidi Colleran), MPI-EVA |
| 2019 | HBEC Core Seminar, subsistence and cooperation section, MPI-EVA |
| 2018, 19 | Social Network Analysis for Anthropologists (with J.H. Jones and M.A. Hazel), AAPA annual conference |
| 2018 | Network Analysis in R, University of Nebraska-Lincoln |
| 2016 | Networks in Anthropology, Stanford University |

TEACHING ASSISTANT EXPERIENCE

- | | |
|--------------|---|
| 2013, 15, 16 | Human Skeletal Anatomy, Stanford University |
|--------------|---|

2012	Human Behavioural Ecology, Stanford University
2011	Peopling of the Globe, Stanford University
–	Intro. to Biological Anthropology, Stanford University
2009	Biological Anthropology and Archaeology, Trent University
2008	Cultural Anthropology, Trent University

AWARDS

FELLOWSHIPS

2012–2015	Satre Family Fellow, Stanford Interdisciplinary Graduate Fellowship program
2010–2014	Social Sciences and Humanities Research Council of Canada Doctoral Fellowship
2009	Social Sciences and Humanities Research Council of Canada CGS Master's Scholarship
–	Ontario Graduate Scholarship (declined)
2004–2008	University of Alberta President's Citation Scholarship

PAPER/PRESENTATION AWARDS

2018	Winner, University of Nebraska-Lincoln Postdoc Science Slam
2017	New Investigator Award, Evolutionary Anthropology Society
–	Second place, poster contest, 11th California Workshop on Evolutionary Social Sciences

TEACHING AWARDS AND TRAINING

2013	Centennial Teaching Assistant Award, Stanford University
2008	Teaching Assistant Training Certificate, Trent University

OTHER AWARDS

2012	Scholarship from Avataq Cultural Institute, for participation in the CURA Community-University Research Alliance) project, "Time and Space among the Inuit of Nunavik," funded by the Social Sciences and Humanities Research Council of Canada
–	Anthropology Prize for Academic Performance, Stanford University
–	Stanford Archaeology Center Travel Grant
2011	Stanford Archaeology Center Travel Grant
2009	Sandi Carr Anthropology Graduate Scholarship, Trent University
2008	Entrance scholarship, Trent University
–	Alison White/Faculty of Arts Honors Prize (Top five graduating GPA in Faculty of Arts Honors programs), University of Alberta
2008	Anthropology Graduating Scholarship (Highest graduating GPA in Anthropology), University of Alberta
2006	Douglas E. Smith Memorial Scholarship (Top second year GPA in Faculty of Arts), University of Alberta
2005–2007	Louise McKinney Scholarships (Top 2.5% GPA in Faculty of Arts), University of Alberta
2004	Faculty of Arts Academic Excellence Entrance Scholarship, University of Alberta
–	Alexander Rutherford Scholarship

SERVICE AND OUTREACH

EDITING

2024	Associate Editor, <i>Evolution, Medicine & Public Health</i> for special issue "Mental health in non-industrialized populations"
------	--

PEER REVIEW

Journals: *Nature Sustainability*, *Current Anthropology*, *Arctic*, *Evolutionary Anthropology*, *Social Networks*, *Human Organization*, *Behavioral Ecology and Sociobiology*, *Ecology and Society*, *Human Ecology*, *Royal Society Open Science*, *American Journal of Human Biology*, *Evolutionary Human Sciences*, *Polar Research*, *International Journal of Circumpolar Health*, *Local Environment*, *Philosophical Transactions of the Royal Society B*, *Proceedings of the Royal Society B*, *Sustainability*, *Journal of Archaeological Science: Reports*, *Anthropologie et*

Sociétés, Journal of Archaeological Science, Reviews in Anthropology, Alaska Journal of Anthropology, Journal of the Royal Anthropological Institute

Grants (panel member or ad hoc reviewer): Canadian Institute for Health Research, Social Sciences and Humanities Research Council of Canada, Swiss National Science Foundation, Leakey Foundation, National Science Foundation Office of Polar Programs (US), National Science Foundation Cultural Anthropology (US)

CONFERENCE ORGANIZATION

- 2023 Session organizer “Relationships and Resilience”, Biennial Conference of the Finnish Anthropological Society (with John Ziker)
- 2019 Session organizer, “Behavioral ecology of social ties and social structure I: Reputations, kinship, and other multiplex relations,” American Anthropological Association annual meetings, Evolutionary Anthropology Section (with Eleanor A. Power)
- Session organizer and chair, “Behavioral ecology of social ties and social structure II: Risk, exchange, and institutions” American Anthropological Association annual meetings, Evolutionary Anthropology Section (with Eleanor A. Power)
- 2017 Session organizer, “Rethinking methods of faunal analysis,” Society for American Archaeology annual meetings (with Eugène Morin and Arianne Boileau)
- 2015 Session organizer, “Strategies of support: Tradeoffs and constraints in navigating social position,” American Anthropological Association annual meetings, Evolutionary Anthropology Section (with Eleanor A. Power)
- 2012 Session chair, 18th Inuit Studies Conference, Washington, D.C.

ON-CAMPUS

- 2018 Reviewer for UNL UCARE undergraduate research experience awards
- 2011 Assistant colloquium coordinator, Department of Anthropology, Stanford University
- Organizing committee for Stanford Archaeology Center Graduate Student Conference
- 2010–2012 Volunteer at school outreach days, Stanford Archaeology Center
- 2007–2008 President, University of Alberta Nordic Ski Club
- 2006–2008 University of Alberta Anthropology Undergraduates: member and volunteer, served as club secretary during 2007–2008

OFF-CAMPUS AND IN THE FIELD

- 2023 Coordinated 10 weekly coffee breaks for community members at the Mianirsivik Family House (a women’s shelter and community wellness centre), Kangiqsujaq
- 2018 Volunteer at Arsaniq School, Kangiqsujaq, reading and math with elementary students
- 2014 Volunteer at Arsaniq School, Kangiqsujaq, reading with junior high students
- 2013 Volunteer at Children’s Outdoor Youth Camp, Kangiqsujaq
- 2011 Presentation on anthropology to high school social science class (Peterborough, Ontario)
- 2006–2008 Board of Directors, Camp Maskepetoon (Edmonton, Alberta)

DATA CURATION

- 2018–2022 Assisting Nicholas Blurton-Jones (Professor Emeritus, UCLA) with archiving data on Hadza anthropometry and residence patterns. This process involves checking the data for errors, systematizing coding schemes, and documentation.

INVITED TALKS

EXTERNAL TALKS

- 2024 *Revisiting resilience. Inequality, network position and food security in the Arctic.* Toulouse Economics and Biology Workshop, Institute for Advanced Studies Toulouse
- *Five full freezers: Ethnoarchaeology as interdisciplinary environmental social science.* Institute of Pre- and Protohistoric Archaeology, Kiel University.
- 2022 *Climate change, livelihood risk and resilience in the Canadian Arctic.* Department of Geography Colloquium Series, Oklahoma State University.

- *Inuit food security in the Anthropocene*. Communities in the Anthropocene Workshop, Laboratoire de Psychologie Sociale et Cognitive, Université Clermont Auvergne.
- *From problem to theory: Challenges in community-based research*. Centre for Culture & Evolution Research Seminar Series, Brunel University London.
- 2021 *Ilagiit, parts of each other: Scale and Inuit social relations*. Scale Matters Workshop, University of Cologne.
- “All the problems in the community are multi-faceted and related to each other.” *A comprehensive research agenda for an era of climate change*. Department of Anthropology, University of Maine.
- *Evolutionary ecology in an era of climate change: A view from Arctic social science*. Department of Anthropology, University of Utah.
- 2018 “Some men don’t go hunting well, so they’re not real men.” *Food sharing, marriage, and inequality in the Canadian Arctic*. School of Human Evolution and Social Change, Arizona State University.
- *Structure and function of Arctic food sharing networks*. Complex Networks Winter Workshop, Vermont Complex Systems Center.
- 2017 *Why wage-earners hunt*. Department of Human Behavior, Ecology, and Culture, Max Planck Institute for Evolutionary Anthropology.
- *The social and ecological dimensions of food security: Foraging and sharing in the Canadian Arctic*. Santa Fe Institute.
- *The social and ecological dimensions of food security: Foraging and sharing in the past and present*. Department of Archaeology, Simon Fraser University.
- 2016 *Data Analysis in R and SQL*. Level Analytics Bootcamp, Northeastern University Silicon Valley.
- 2015 *Food Security and Economic Interdependence in the Canadian Arctic*. Canadian Studies Program, University of California Berkeley.

INSTITUTE INTERNAL TALKS

- 2024 *Turning to community: Towards a more human evolutionary anthropology*. Department of Comparative Cultural Psychology colloquium, Max Planck Institute for Evolutionary Anthropology.
- 2017 *Fresh fodder for an old debate: Recent evolutionary perspectives on food sharing*. Department of Anthropology colloquium, University of Nebraska-Lincoln.
- 2016 *Ensuring country food access for a food secure future in the Canadian Arctic*. Department of Environmental Earth System Science Seminar Series, Stanford University.
- 2012 *From osteometry to cruise ship dollars: Archaeology and economic development in Nunavik*. Stanford Archaeology Center Lunch Club Series, Stanford University.
- *Changing climate, changing culture: Understanding the social and economic effects of climate change in Nunavik*. Young Environmental Scholars Conference, Stanford University.
- 2010 *Neandertal subsistence at Gatzarria Cave*. Thomas H.B. Symons Seminar Series on Graduate Student Research, Trent University

ETHNOGRAPHIC FIELDWORK

- 2024 Kangiqsujuag, Nunavik, Canada: Interviews concerning traditional knowledge and use of the Urqu region and coordination of the scientific team (one month).
- 2023 Kangiqsujuag, Nunavik, Canada: Community-based research focused on economic activity, food access, and stress. Led project team including one graduate student and one postdoctoral scholar (4 months).
- 2022 Kangiqsujuag, Nunavik, Canada: Community consultation for project development and interviews concerning traditional land use activities in Urqu region (1 month).
- 2019 Kangiqsujuag, Nunavik, Canada and Ulukhaktok, NWT, Canada: Community consultation for project development (1 month).
- 2018 Kangiqsujuag, Nunavik, Canada: Pilot project for community-based research on stress and wellness (8 weeks).
- 2013–14 Kangiqsujuag, Nunavik, Canada: Dissertation fieldwork (12 months).
- 2012 Kangiqsujuag, Nunavik, Canada: Language training and preliminary fieldwork for dissertation research (10 weeks).
- Parnngurr, Western Desert, Australia: Martu Ecological Anthropology Project, R. Bliege Bird and D.W. Bird, co-directors. Quantitative ethnography of men’s and women’s hunting and food sharing, transect survey for estimating varanid lizard density by habitat (1 month).

ARCHAEOLOGICAL FIELD AND LAB EXPERIENCE

- 2017 Pilot study of Duport faunal collections, France: Middle Palaeolithic.
- 2012 Aivirtuuq Long House 1 (JiEv-4), Nunavik, Canada: Mapping Dorset and Thule structures.
- 2011 Saunitarlik (JiEv-15), Nunavik, Canada: Historic Inuit, field school for Inuit youth.
- Qarmait (JjFa-1), Nunavik, Canada: Dorset/Thule, field school for Inuit youth.
- 2010 Le Piage, France: Middle and Upper Palaeolithic. Member of archaeozoology team.
- L'Igue du Gral, France: Palaeontological excavation, dating to Last Glacial Maximum.
- Abri Bouysonnie, France: Upper Palaeolithic.
- 2009 Analysis of faunal remains from Gatzarria Cave, France: Middle Palaeolithic.
- 2008 Riparo Mochi, Balzi Rossi, Italy: Upper Palaeolithic.
- La Chapelle-aux-Saints, France: Middle Palaeolithic.
- Isernia La Pineta, Isernia, Italy: Lower Palaeolithic.
- Grotte du Lazaret, Nice, France: Lower/Middle Palaeolithic.
- 2007 Sagan-Zaba II, Cis-Baikal, Siberia: Middle Ages through Early Bronze Age.
- Analysis of faunal remains from Gorelyi Les, Cis-Baikal, Siberia: Neolithic hunter-gatherers.
- 2006 La Tufa, Ossaia, Italy: Roman, University of Alberta classical archaeology field school.

CONFERENCE PRESENTATIONS

ORAL PRESENTATIONS (PRESENTER)

- Ready, E.**, Collings, P., and Medina-Ramírez, O., 2023. *Ethnographic methods and research co-development in the Canadian Arctic*. Munich: Paper presented at the German Association of Social and Cultural Anthropology Biannual Congress.
- Ready, E.**, Collings, P., and Medina-Ramírez, O., 2023. *An ethnographic model of stress and stress management in two Canadian Inuit communities*. Vienna: Paper presented at Arctic Science Summit Week 2023.
- Ready, E.** and Jones, J.H., 2023. *The structure of subsistence risk-management networks*. Rovaniemi: Paper presented at the Biennial Conference of the Finnish Anthropological Society in the session “Relationships and resilience”.
- Ready, E.**, Collings, P., and Medina-Ramírez, O., 2022. *“We have no one to talk about how we feel”: The role of communication in Inuit concepts of well-being*. Dublin: Paper presented at CHAGS13, International Conference on Hunting and Gathering Societies.
- Ready, E.**, Hillemann, F., and Jones, J.H., 2022. *Climate change and subsistence risk-management in the Canadian Arctic*. Dublin: Paper presented at CHAGS13, International Conference on Hunting and Gathering Societies in the plenary session “Biological and cultural adaptation to changing climates”.
- Ready, E.**, Habecker, P., Abadie, R., Davila, C., Rivera Villegas, A., Khan, B., and Dombrowski, K., 2021. *Comparing Social Network Structures Generated through Sociometric and Ethnographic Methods*. Virtual conference: Paper presented at Networks 2021, A joint Sunbelt and Netsci conference.
- Ready, E.** and Collings, P., 2021. *Inuit and the “problem” of climate change: Local perspectives on contemporary challenges*. Virtual conference: Paper presented at the 2021 annual American Association for Biological Anthropology in the invited AAPA-HBA symposium “Human responses to climate change: Biological anthropology is missing the boat”.
- Ready, E.** and Power, E., 2019. *Cross-cultural variation in the structure of human social relations*. Vancouver, Canada: Paper presented in the Evolutionary Anthropology Section of the annual American Anthropological Association meetings.
- Ready, E.**, Power, E., Dombrowski, K., and Ivanich, J., 2019. *Replicating reciprocity in network studies of cooperation*. Zadar, Croatia: Paper presented at the 2019 International Society for Human Ethology summer institute in organized symposium “Relational approaches to understanding human behaviour”.
- Ready, E.** and Price, M., 2019. *An HBE perspective on niche construction*. Albuquerque, NM: Paper presented at the 84nd Annual Conference of the Society for American Archaeology in organized symposium “Niche construction in paleoanthropology”.
- Ready, E.**, Ivanich, J., Khan, B., and Dombrowski, K., 2018. *Resilient data, vulnerable theory? Replicating analyses with independent datasets to assess intra-cultural validity*. San Jose, CA: Paper presented at

the annual American Anthropological Association meetings in executive session “Open Science and the Anthropological Imagination: Resilience and Adaptation amidst a Global Crisis in Replication and Scientific Practice”.

Ready, E., 2017. *Who, being loved, is poor? Poverty, marriage, and changing family structures in the Canadian Arctic*. Washington, D.C.: Paper presented in the Evolutionary Anthropology Section at the annual American Anthropological Association meetings.

Ready, E., 2016. *Old traditions, new institutions, and inequality in the Canadian Arctic*. Minneapolis, Minnesota: Paper presented in the Evolutionary Anthropology Section of the annual American Anthropological Association meetings.

Ready, E., 2015. *Traditional food sharing networks and social-structural inequality in a Canadian Inuit settlement*. Denver, Colorado: Paper presented in the Evolutionary Anthropology Section of the annual American Anthropological Association meetings.
